CITYWIDE TENANT DEMONSTRATION

On October 1st the huge rent hikes approved this summer by the Rent Guidelines Board (RGB) go into effect. If you are a rent-regulated tenant and are worried about what high rents will mean for you, your family, and your neighborhood, please join tenants from across New York for a massive demonstration against these unfair increases. With your help, we can win real rent reform that protects New York's tenants!

★ Protest the rent hikes ★ Reform the RGB ★ Victory for tenants in Albany
